

Faculty Development Academy

The Punjab Higher Education Commission (PHEC) has established a state-of-the-art Faculty Development Academy (FDA) in Lahore to provide capacity-building training to the faculty of public sector Higher Education Institutions (HEIs) in the province.

Objectives

- Strengthen the profession of teaching in Punjab by providing substantial professional learning opportunities and modelling highly effective educational practices.
- Identify and develop teachers of the highest quality who are committed to an all-round development of young people and for their professional excellence.
- Support excellence by striving to attain best practices in teaching and learning by providing high quality development opportunities for teachers of universities and colleges as well as academic management.
- Provide academia with opportunities to work collaboratively with experienced colleagues through short and long term training programs.
- Improve faculty member's andragogical knowledge and skills.
- Improve technological literacy in Punjab.
- Encourage support and interaction among faculty members and academic management.
- Conduct workshops, short courses and other training opportunities for in-service university, college teachers and academic management.
- Offer mentoring and collaborative opportunities to newly inducted university and college teachers and academic management.
- Help university and college teachers and academic management achieve their career goals.
- Arrange international training for college teachers.
